I owe you to certify to the good effect the taking of your medicine han, 20 my health. I was
troubled by nervourness brought on by overwork. Your Norve Tonic almost immediately
stopped that peculiar tremor that, I presume,
in evidence of nervounness. I sim now well.

My head troubled me, could not sleep, head
bot, dreams of accidents, etc. One specific
of your medicine removed the cause of my
dreams; have not had them since; took seven
or eight bottles of your medicine. Reep some
in my house; always take some occasionally;
would not be without it; have recommended
it to my friends. If I am not mistaken, your
medicine will prove a great blessing to this
over-worked nation. Yourstraly.
